

Bench Scale Bases

CKW Bases

High Quality Bases Designed For Food Applications!

- NSF Certified, USDA-AMS Accepted, supports HACCP-Certified systems
- All stainless steel construction with IP67 protection
- Externally visible level bubble and adjustable non-slip leveling feet

Construction 304 grade stainless steel platform, 304 grade stainless steel frame, IP67 stainless steel load cell

Design Features No visible threads for conformance to Food Safety standards

Model	Capacity	Readability	Certified Readability	Platform Size	Item No.	Price USD
CKW3R	6 lb / 3 kg	0.001 lb / 0.5 g	0.002 lb / 1 g	10 in x 10 in / 254 mm x 254 mm	80251046	730
CKW6R	15 lb / 6 kg	0.002 lb / 1 g	0.005 lb / 2 g	10 in x 10 in / 254 mm x 254 mm	80251047	730
CKW15L	30 lb / 15 kg	0.005 lb / 2 g	0.01 lb / 5 g	12 in x 12 in / 305 mm x 305 mm	80251048	850
CKW30L	60 lb / 30 kg	0.01 lb / 5 g	0.02 lb / 10 g	12 in x 12 in / 305 mm x 305 mm	80251049	850

Defender® W Series Stainless Steel Bases

Top Quality Scale Bases for Industrial Washdown Environments!

- All stainless steel form-and weld frame with stainless steel platform
- Durability, rigidity and structural integrity
- High resolution

Construction 304 grade stainless steel platform, with stainless steel form and weld frame, IP67 OIML R60 stainless steel load cell

Design Features Platform with 5 or 6 point overload stops for protection 150% safe overload

Model	Capacity	Readability	Certified Readability	Platform Size	Item No.	Price USD
D10WR	25 lb / 10 kg	0.002 lb / 1 g	0.005 lb / 2 g	12 in x 12 in / 305 mm x 305 mm	80251925	840
