

Counting Scales

Ranger® 3000 Count

The Best Compact Counting Scale in its Class!

- Ranger 3000 produces accurate results within one second. The rapid stabilization virtually eliminates your wait time and allows you to move at a pace determined by you, not your weighing equipment.
- Accurate weighing and counting performance is assured through Ranger Count 3000's high resolution, 30 item library function and auto-optimization software that reduces errors and ensures accuracy.
- Easily navigate the menu setup area and view the three LCD backlit displays, including a centrally located count display, that make Ranger Count 3000 easy to use while performing advanced operations.

Application Weighing, Parts Counting with Auto Optimization, Checkweighing, Accumulation

Display 3-Window LCD with Backlight

Operation AC Power (Included) or Rechargeable Battery (Included)

Communication Easy access communication ports including a standard RS232. Additional accessories include a Second Platform, 2nd RS232, USB and Ethernet kits

Construction ABS Housing, Stainless Steel Platform

Design Features 30 item library (stores 12-digit part numbers, average piece weights, checkcounting or Checkweighing parameters, tare weights and accumulated weights or counts), 210 hours of battery life, 3 LED (yellow, green, red) Checkweighing lights with selectable operation and audible signal settings, auto tare, transportation handle, numeric keypad, sealed front panel, menu lockswitch, up front level indicator, adjustable leveling feet, selectable environmental and auto-print settings, stability indicator, overload and underload indicators, low battery indicator, auto shut-off, optional 2nd scale input
